Mr. Joel Breslau
Station Manager
WVRB
Willard Straight Hall
Ithaca, New York

Dear Joel:

I received a copy of your letter and the reply from Bill Perkins at the Yale A.A. Certainly we will be glad to help you in any way possible. The games usually get underway about 8:45, with preliminary Freshman game beginning at 7:00 or thereabouts.

And, in line with our policy, etc., we would like to carry WVRB's broadcast of the Yale-Cornell game at Ithaca on February 9, 1952. If we could get this with Philip Morris sponsorship, we would appreciate it greatly.

I have been so busy that I completely forgot about your request for a recording of the 'YBC singing station break. I will have one made up in a few days and send it to you.

Cordially yours,

David S. Robinson
